

Adoption

If you go under the “Adoption” tab on the left, you will be provided with several different Sub Categories that deal with adoption (introduction, laws, ethical issues, how to adopt, tools, publications, and more).

<http://www.childwelfare.gov/index.cfm>

This site provides a background of DCFS and its impact on adoption. It gives the reader statistical information on DCFS adoption as well as provides “Adoption Links” if you are interested in finding out more information.

<http://www.state.il.us/dcf/adoption/index.shtml>

This site focuses on adoption within the U.S. (but also has international adoption information). There are several Sub Topics that offer more information (ethical issues, how to adopt, laws, parenting after adoption, pre/post placement adoption casework practice, and more).

<http://www.childwelfare.gov/adoption/>

This site provides basic info on adoption as well as questions and answers, resources, book reviews, and links.

http://www.mentalhelp.net/poc/center_index.php?cn=11

This site provides different kinds of resources (audio, newsletter, magazine, etc.) and is the official CASA website.
